

Churches Together in Radlett & Aldenham invite you on a

Pilgrimage to Canterbury Cathedral

Saturday 13 July 2024

Transport provided

Canterbury Cathedral, founded in 597, was part of a Benedictine monastic community and is the seat of the Archbishop. The cathedral was the location of the martyrdom of St. Thomas Beckett in 1170. Since that time, it has been a site of Christian Pilgrimage, memorably captured in Chaucer's 'Canterbury Tales'.

Join us for a day pilgrimage, including a guided tour
and a private service in the cathedral.
