Sepulchre Service

(Night prayer)

The background of the poster features a silhouette of three crosses on a hill against a sunset sky with orange and yellow clouds. The crosses are arranged in a row, with the central one being the tallest and most prominent.

A quiet and reflective service remembering Christ being taken down from the cross, wrapped in cloth and laid in the tomb.

***A chance to sit in candlelight,
listen to some beautiful music,
and meditate on this profound event.***
