### **PRAYERS**

#### **Those in need of healing of body, mind or spirit:**

John Wright, John Menham, Christine Kamruddin, Margaret Sekinobe, Christine Churchill, Rosemary Crispo, Rebecca, Sue Waller, Peggy Burrell, Joan Sands and Lisa Howlett

- we give thanks for the blessing of our church family, for the faithful ministry of those who guide us with wisdom and grace
- we lift in prayer our brothers and sisters across the Holy Land: For Taybeh, the last all-Christian town in the West Bank, where flames sparked by Israeli settler violence have scarred sacred ground near the ancient Church of St. George and for all those injured and killed at the Holy Family Church in Gaza hit by tank shelling.
- we pray that the voices of the patriarchs and bishops may ring out clearly— that their call for international investigation and solidarity be heeded, and that the efforts to erase Christian presence may be met with unwavering witness and justice
- we pray for nations and all organisations that uphold the principles of equality and reject all forms of discrimination. May they be strengthened in their mission to support those who suffer prejudice because of their faith, creed, or religion
